

## LINSSEN CLASSIC STURDY 32 AC "TRITON II"

10.15 m x 3.45 m - 6  
couchage(s) - 2 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

**175000 €**

Discover this Linssen Classic Sturdy 32 AC, a Dutch motorboat renowned for the quality of its construction and the robustness of its build. Built by Linssen Yachts in the Netherlands, this model is particularly popular for river cruising and coastal voyages thanks to its stability, manoeuvrability and excellent on-board comfort.

Measuring approximately 10.15 metres in length, 3.45 metres in width and with a draught of just under 1 metre, this boat offers ideal dimensions for navigating most waterways whilst maintaining excellent living space. This model has seen very little use, meaning it remains in excellent overall condition, both mechanically and aesthetically.

The interior offers the warm, welcoming atmosphere typical of Dutch motorboats, with fine woodwork and

plenty of natural light. The comfortable and convivial saloon features inviting bench seating, providing a pleasant space to relax or enjoy meals together. The interior layout is particularly well thought-out for a boat of this size, offering space and comfort comparable to that usually found on vessels of around 13 metres.

The functional and well-equipped galley includes a hob, a fridge, a sink and plenty of storage, making it easy to cook on board.

The layout features a comfortable aft cabin with a central double bed, wardrobes and a toilet, providing a spacious and well-organised sleeping area. At the bow is a second cabin, also featuring a central double bed. A bathroom fitted with a shower and a toilet completes the interior layout, ensuring a high standard of comfort for life on board. The boat also features a heating system, allowing you to enjoy the boat in all seasons.

Outside, the aft deck houses the helm station, offering an ideal position for navigation whilst fully enjoying the surroundings. The wide, secure gangways make moving around the deck easy.

Sturdy, elegant and built to last, this Linssen Classic Sturdy 32 AC is an excellent choice for boaters looking for a comfortable, safe and pleasant motorboat, ideal for exploring waterways and enjoying peaceful cruises.

Mooring berths are available at our ports in Saint-Jean-de-Losne and Auxonne (21), offering a simple, quick and secure solution. We can also assist you with the financing process to help bring your project to completion.

## Features of the boat

### Generalities
