This beautiful traditional barge combines style and comfort. You will succumb to its charm when you see its large terrace and the many historical pieces. The interior is warm, spacious and particularly pleasant. You will find a living room, a dining room, a cabin and a bathroom. From the wheelhouse, you will have access to a second double cabin with a bathroom. The TRIWV is valid until 2027 and the owners have maintained it well for several years. So don't hesitate any longer, she is waiting for you to cast off. We like: the elegance of her hull and superstructure.
