LUXEMOTOR “CORNELIA HELENA”

Discover this magnificent 26-metre Luxemotor barge with a beam of 4.25 metres, perfectly suited to inland waterway cruising and designed for comfortable family living aboard. This liveaboard vessel stands out for its generous living space, practical layout and excellent level of comfort, whether used as a primary residence or for extended cruising.
Inside, the warm atmosphere created by the wood finishes is combined with a functional and thoughtfully designed layout. You will find a bright and welcoming saloon as well as a fully equipped galley. The accommodation includes four cabins capable of sleeping up to eight people, thanks to two double beds and four single berths, making this vessel ideal for family living or hosting guests.
A shower and three toilets complete the onboard sanitary facilities. The boat is also equipped with a washing machine, providing excellent autonomy for extended stays. In addition, the spacious and easily accessible engine room is a valuable asset for maintenance and technical monitoring.
This Luxemotor barge has benefited from extensive maintenance and improvement work in 2026. The engine underwent a complete overhaul, while the terrace received an anti-corrosion treatment and new outdoor carpeting. The exterior woodwork was also fully re-varnished, and the freshwater pressure pump was replaced with a brand-new unit. These recent upgrades will allow her future owner to enjoy the vessel with complete peace of mind from day one.
Please note that the Community Certificate is valid until 2029.
