Mooring place : Northern france

30000 €

Discover the heart of history with this sumptuous Dutch barge, the result of the expertise of a renowned shipyard. Built in 1930, this barge was completely renovated between 2018 and 2020, combining the charm of the past with modern comfort. Her EU certificate will be renewed in December 2024, guaranteeing her safe navigation. The hull has been completely sandblasted and epoxied. The interior offers a pleasant living space with an attractive wheelhouse, an open-plan living room with kitchen and saloon and two large double cabins, each with its own bathroom. This barge has a hydraulic arm for loading a small car (1000 kg). It's perfect for those who want to get away from it all and enjoy an exceptional lifestyle.
