MOTOR BOAT HOLTERMAN & DE VRIES "ALTHEA"

Here is a motor boat built by Holterman & De Vries, a Dutch shipyard renowned for its solid and finely crafted yachts. This boat embodies the perfect balance between traditional know-how and onboard comfort: the hull and overall design reflect a serious construction, built not only to last, but also to ensure safe and serene navigation.

Inside, you will find a warm and spacious atmosphere. The saloon provides a bright living area bathed in natural light that highlights the fine woodwork; furthermore, the smooth flow between cockpit, saloon, and galley gives the impression of a true floating "home." The well-designed cabins offer comfortable berths and smart storage solutions, while the separate bathrooms guarantee privacy and comfort during stopovers.

When it comes to navigation, the engine and mechanics have been designed for both reliability and autonomy. Thanks to its large tanks and onboard equipment, you can plan long cruises in complete independence, while enjoying a convivial aft cockpit and a bathing platform that makes outdoor living easier. This yacht will therefore suit both a boater looking to sail regularly and a family in search of a floating residence for weekends and holidays.

A 360° view of the Holterman & De Vries motor boat will be available online soon.

Features of the boat

Generalities

Type of boat : Motor Cruisers
Length (m) : 12.50 m
Width (m) : 3.70
Builder : Holterman NL
Year : 1978
Hull : Steel
Air draft (m) : 2.70
Water draft (m) : 1.1
Navigation : River
Category CE : C (near the coast)

Comfort

Cabin(s) : 2
Sleeping(s) : 6
Single bed(s) : 2
Double bed(s) : 1
Convertible couch : Living room
Type of WC : Electric,1
Shower(s) : 1
Kitchen : Gas hob,Oven 220V,Microwave,Fridge
Television : Antenna
Min. headroom : 2 M
except the following part(s) : aft cabin 1.80 m
Hot water : Heated by engine,Heated by 220V
Heating : Webasto fuel hot air

Deck and exterior

Steering position(s) : 2,Hydraulique
Outdoor equipment : Outdoor furniture,Bathing ladder,Bathing platform,Sunshade,Mechanical windlass
Windows : Aluminum frame

Technical

Number of engines : 1
Power per engine (HP) : 120
Engine make : Ford
Engine year : 1978
Fuel : Diesel
Exhaust : Mouillé
Engine cooling : Keel Cooling
Number of propeller blades : 4
Shaft lubrication : Grease
Propulsion type : Propeller shaft
Bow thruster : Yes,Hydraulique
Stern thruster : Yes,Hydraulique
Bilge pump(s) : 1
Service battery(ies) : 4 from 2024
Motor battery(ies) : 2 from 2024
Type of motor battery(ies) : Gel
Generator set : 1 portable unit of 1200 W
Combi (charger/converter) : Mastervolt
Voltage on board : 220V,12V,24V

Tank

Engine fuel : 1 x 700 L
Drinking water : 2 x 300 L
Black water : 1 x 100 L

Navigation

Navigation equipment : Sounder,VHF
