# MOTOR YACHT VAN ELGEN BOOM “TOSCANA”

Discover this motorboat built in 1987 by Van Elgen shipyards, measuring 12.51 metres long and 3.36 metres wide. Designed for mixed river and sea navigation, it is a base for a complete renovation project tailored to your needs.
On board, you will find a kitchen with a gas hob, oven and 220 V refrigerator, as well as a washing machine (installations to be checked and recommissioned). The bright saloon, equipped with a convertible dining area, offers a space for everyday living.
For sleeping, the motorboat has a double cabin with separate shower and WC. The forward cabin can accommodate two berths.

The double wheelhouse, inside and outside, allows you to sail in all weathers, whether sheltered or in the sun. This boat requires an overhaul of the water, gas and electricity systems, and the interior fittings remain to be completed. It will appeal to renovation enthusiasts looking for a project and a boat with authentic character. Want to know more about the marina in Saint-Jean-de-Losne? **Click here**!
