MOTORYACHT AZIMUT 43 “LIBERTA”

Discover the Azimut 43, a luxury motor yacht crafted by the prestigious shipyard Azimut Yachts and elegantly designed by the brand's iconic architect, Stefano Righini. Combining performance, aesthetics, and comfort, this vessel perfectly embodies Italian craftsmanship with a style that is both modern and timeless.

Starting with the exterior, the yacht impresses with its spacious flybridge, featuring an upper helm station and a welcoming outdoor lounge—ideal for relaxing moments whether cruising or at anchor. Additionally, the well-sheltered aft deck extends the living space and offers a comfortable, convivial area to enjoy life on board.

Inside, natural light floods the generous saloon, which includes a cozy dining area and an open, fully equipped galley (hob, oven, refrigerator), all seamlessly integrated into the layout.

When it's time to unwind, the Azimut 43 offers three comfortable cabins: a spacious owner's cabin with a double

In short, the Azimut 43 is a prestigious yacht designed for both coastal and offshore cruising, delivering the perfect blend of elegance, comfort, and pure yachting pleasure.

Non-functional systems: generator, air conditioning, electric anchor winch, hydraulic gangway. The automatic fire extinguisher is out of date. The engine needs servicing.
