NICOLS SIXTO SEDAN

Discover the joys of river cruising aboard the Nicols Sixto Sedan, a modern and spacious boat designed for enjoyable cruises with family or friends. With its contemporary design, large, light-filled living areas and comfortable outdoor deck, this model offers a unique experience on the water, combining relaxation, independence and ease of handling.
The panoramic saloon, bathed in natural light, allows you to fully enjoy the scenery, whilst the fully equipped galley and comfortable cabins ensure a pleasant stay, even over several days. Outdoors, the secure flybridge with raised helm station invites you to savour every moment as you glide along the water.
This boat can accommodate up to 12 people. Its diesel engine ensures smooth, economical and quiet cruising, ideal for exploring the canals and rivers in complete peace of mind.
As for the boat’s maintenance, the antifouling was applied in April 2026 and the hot water tank and bow thruster are brand new.
The Nicols Sixto Sedan is the perfect choice for those seeking comfort, space and ease of navigation in a high-end setting.
Moorings are available in our ports at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with your financing arrangements to help bring your project to fruition.
