NOBLESSE 38

Launched in 1998, this elegant Dutch motorboat Noblesse 38 is in excellent condition and ready to set sail for new adventures. Reliable, comfortable and meticulously maintained, it will allow you to explore Europe’s most beautiful river and coastal landscapes in ideal conditions. The Noblesse 38 is built by Noblesse Yachts (Kroon) at Sneek, with a steel hard-chine hull.
You will particularly appreciate its outdoor deck, a true living space on board, perfect for enjoying the cruise, admiring the views or sharing convivial moments during stopovers.
Inside, the atmosphere is warm and welcoming. The saloon, bathed in natural light, offers a pleasant space to relax, whilst the functional galley and dinette allow you to make the most of life on board. The boat also features two comfortable cabins, as well as a bathroom with shower and separate toilet, ensuring a high level of comfort for both short and long stays.
This motorboat Noblesse 38 presents a wonderful opportunity for sailing enthusiasts looking to acquire a boat ready to sail, combining charm, comfort and Dutch-built quality.
The hull was last painted in 2025.
Moorings are available in our ports at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with the financing process to help make your project a reality.
