OCEAN ALEXANDER MOTOR YACHT

Discover this Ocean Alexander 390 motor yacht, known for her build quality and onboard comfort. She is suited to coastal cruising and extended stays thanks to her good autonomy and generous interior volumes. Her modified-V hull ensures stable navigation, while her wide beam provides a large living space for a boat of this size.
This boat features a well-designed interior layout with two separate cabins. The owner’s cabin, located aft, offers generous space along with its own en-suite bathroom. The forward cabin accommodates guests and is complemented by a second bathroom. The spacious and bright saloon includes an interior helm station and a living area. The fully equipped galley allows for extended stays on board in autonomy. Wood finishes throughout

create a warm atmosphere.
Outside, this Ocean Alexander offers a flybridge with helm station providing good visibility, as well as a large covered aft cockpit. The side decks are wide and secure, making movement on board easy, and the swim platform at the stern completes the equipment.
Powered by twin diesel engines of approximately 300 hp each, with shaft drive, this yacht cruises at around 15 to 17 knots and can reach close to 20 knots at maximum speed. Her GRP construction ensures strength and durability, while keeping maintenance straightforward.
The latest survey dates from 2024, and the hull paint below the waterline was completed in 2025.
Berths are available in our marinas in Saint-Jean-de-Losne and Auxonne (21). We can also assist you with financing solutions to help bring your boating project to life.
