

PASSENGER BOAT

28 m x 3.50 m - 0
couchage(s) - 0 cabine(s)

Mooring place : South of france

120000 €

Discover the timeless charm of this 28-meter steel passenger riverboat, built in 1904 and certified to carry up to 75 passengers on cruises (zone 4). With a dining capacity of 54 guests, this vessel is perfectly suited for hosting unique events and unforgettable cruises. It offers an ideal balance of capacity, safety, and comfort while fully complying with current public transportation regulations on inland waterways.

The thoughtfully designed interior layout is tailored for intensive professional use. The well-equipped galley includes a gas cooktop, gas oven, microwave, 220V refrigerator, and freezer—everything needed to prepare meals onboard for passengers during cruises or private functions.

Additionally, key onboard features include a manual toilet and a hydraulic steering station, ensuring smooth and

comfortable navigation. Carefully maintained and in very good condition, this passenger boat stands out for its low fuel consumption—combining efficiency with economic operation.

For enhanced safety, the boat is equipped with a gas detector, fire detector, and an alarm system, providing peace of mind for both crew and passengers.

The boat also comes with a valid community certificate until January 13, 2027, allowing for continued professional operation with full regulatory compliance.

In summary, this passenger vessel presents an excellent opportunity for tourism or river cruise professionals seeking a reliable, regulation-compliant, and ready-to-use boat. It is also worth noting that the boat can be converted into a floating home—offering an exciting alternative for a lifestyle project on the water.

Features of the boat

Generalities

Type of boat : Barge
Length (m) : 28 m
Width (m) : 3.50
Model : PASSENGER
Year : 1904
Hull : Steel
Air draft (m) : 2.85
Water draft (m) : 1
Navigation : River

Comfort

Type of WC : Manual,1
Kitchen : Gas hob,Gas oven,Microwave,220V refrigerator,Freezer
Security : Gas detector,Fire detector,Alarm system
Hot water : Instantaneous Gas
Heating : Gas boiler
Type of insulation : Rock wool

Deck and exterior

Steering position(s) : 1,Hydraulique
Outdoor equipment : Gangway,Projector,Windlass,Deck wash pump
Windows : Wooden frame

Technical

Number of engines : 1
Power per engine (HP) : 80
Engine make : Iveco Aifo
Engine year : 1986
Exhaust : Mouillé
Engine cooling : Direct
Number of propeller blades : 3
Shaft lubrication : Grease
Cruising speed (km/h) : 5
Ballasted : Steel
Propulsion type : Propeller shaft
Bilge pump(s) : 4
Service battery(ies) : 4 x 143 AH from 2020
Type of service battery(ies) : Gel
Motor battery(ies) : 2 x 100 AH from 2024
Combi (charger/converter) : Victron,24V/3000W-70A
Battery charger : Victron
Converter : Victron,24V/3000W
Isolation transformer : Victron
