PASSENGER VESSEL MISS 11.50

Built in 1991 at the Recla shipyard, this MISS 11.50 boat was designed from the outset for daily passenger transport, a function it has always performed.
Its great stability, large windows and single-level layout make it a bright and accessible boat. It can easily accommodate people with reduced mobility, children or vulnerable passengers. The interior atmosphere is suited to both life on board and group activities.
Between 2022 and 2023, it underwent a complete technical renovation:

- electrical and hydraulic systems completely redone,
- installation of solar panels,
- air conditioning, water heater, booster pump, pump alarm system,
- functional kitchen and shower area.

In addition to this equipment, the vessel has been fitted out for living quarters: a bedroom, a shower and a separate WC, transforming the boat into a floating studio.
Depending on your needs, it can be used:

- as a passenger boat for professional use,
- as a mixed passenger + living boat,
- or as a pleasure boat.

Thanks to its autonomy, it can remain out of port for several days. This makes it suited to travelling projects, artist residencies, on-board workshops or extended stays on the water.
This boat is a versatile and already equipped tool for carrying out a mobile project.

Generalities

Type of boat : Barge
Length (m) : 11.50 m
Width (m) : 3.65
Builder : Recla
Model : Miss 11.50
Year : 1991
Hull : Polyester
Air draft (m) : 2.20
Water draft (m) : 0.80
Navigation : River

Comfort

Cabin(s) : 1
Sleeping(s) : 2
Double bed(s) : 1
Convertible couch : Living room
Type of WC : Electric,1
Shower(s) : 1
Kitchen : Induction hob,Oven 220V,220V refrigerator
Laundry : Washing machine
Min. headroom : 2 m
except the following part(s) : Kitchen and bedroom
Hot water : Heated by engine,Heated by 220V
Heating : Webasto fuel hot air,Electric
On-board air conditioning : Reversible (heating & cooling)

Deck and exterior

Steering position(s) : 1,Hydraulique
Outdoor equipment : Projector,Sunroof
Windows : Rubber frame

Technical

Number of engines : 1
Power per engine (HP) : 60
Engine make : Iveco Aifo
Engine year : 1991
Fuel : Diesel
Exhaust : Wet
Automatic fire extinguisher in the engine room : Yes
Number of propeller blades : 3
Shaft lubrication : Oil
Propeller shaft sealing : Classic stuffing box
Propulsion type : Propeller shaft
Bilge pump(s) : 5
Service battery(ies) : 3 x 330 AH from 2023
Type of service battery(ies) : Lithium
Motor battery(ies) : 2
Combi (charger/converter) : Victron
Solar panel(s) : 3 x 380 Watts
Voltage on board : 220V,12V,24V

Tank

Engine fuel : 250 L
Drinking water : 550 L
Black water tank evacuation pump : Yes

Navigation

Navigation equipment : Bar Indicator
