Would you like to live and sail along the water? You're sure to fall in love with this pretty barge. European certificate valid until 2028. She was assiduously maintained by river boating enthusiasts. The painting below the waterline was carried out in 2023 and the electrics have been upgraded to current standards. As for the interior, it is pleasant and well optimised. It offers a convivial living area with kitchen and dining room, a bathroom, a cabin, a pleasant lounge and an office that can be converted into an additional bedroom. Please note that the general view photo is non-contractual. The boat was repainted grey in June 2023.
