Mooring place : H2O (Saint-Jean-de-Losne)

135000 €

This Peter Nicholls boat combines robust construction with exceptional comfort, making it ideal for inland waterways and long-distance cruising. A true flagship model of the Peter Nicholls shipyard, it stands out above all for its stability, ease of handling, and a layout particularly well designed for life on board.

On the outside, the boat offers generous and secure spaces, allowing smooth circulation and excellent visibility from the helm position.

Inside, the atmosphere is warm and bright, with a comfortable saloon that invites relaxation and convivial moments. In addition, the functional galley allows you to prepare meals just like at home, while the cabins provide comfortable berths and ample storage, perfectly suited for extended stays. Finally, the well-designed

bathroom completes the layout, offering real everyday comfort.

To complete the package, the boat benefits from recent equipment and regular maintenance, including the installation of a new bow thruster and a solar panel in 2024.

Renowned for its reliability and liveaboard comfort, the Peter Nicholls is an ideal boat for boaters seeking autonomy, peace of mind, and enjoyable cruising on inland waterways.

Moorings are available in our marina in Saint-Jean-de-Losne (21). We can also assist you with financing solutions to help bring your project to life.
