Combining the charm of classic British design with modern engineering, this Piper Boats 49L from July 2020 offers an exceptional boating experience. Designed and built in the United Kingdom by the renowned shipyard Piper Boats Ltd, this luxurious Luxemotor embodies the perfect balance of durability, comfort, and refinement. At first glance, its elegant and timeless appearance captivates. Inside, the bright and spacious salon opens onto a fully equipped modern kitchen, offering all the comforts of a contemporary residence. Light wood finishes, bamboo flooring, and carefully crafted details help create a warm and inviting atmosphere. Moving aft, the owner's cabin features a central double bed, generous storage space, and direct access to the bathroom, which is equipped with a separate shower, a sink, and a toilet. At the bow, the convertible cabin

provides a well-designed double guest area. For added convenience, a second bathroom with a separate shower, sink, and toilet completes this section of the boat. In addition, the wheelhouse, elegantly decorated with Venetian blinds, can also be converted into a double berth. High-performance insulation, central heating, a stove, and air conditioning ensure optimal comfort in all seasons.

Regarding propulsion, this Piper Boats 49L is powered by a 115 HP Betamarine diesel engine, providing both powerful and smooth navigation.

On deck, the terrace deck offers an additional living space. A second helm station is installed here, perfect for maneuvering in fine weather.

This rare model Piper, enhanced with numerous options, stands out for its meticulous maintenance and premium equipment. It is ideal for year-round living on board.
