

## PRIVATEER TRAWLER 55

17 m x 4.90 m - 6  
couchage(s) - 3 cabine(s)

Mooring place : South of france

**1563000 €**

Built by the Dutch shipyard Privateer Yachts, renowned for the quality and reliability of its vessels, this Trawler 55 combines timeless design, robustness and high-end comfort. Its steel hull and CE Category A certification make it a yacht capable of both offshore sailing and river and coastal cruising.

With a length of 17 metres, a width of 4.90 metres and a reduced air draught of 3.40 metres (specifically lowered for river navigation), it offers excellent stability and great autonomy. Its John Deere engine guarantees reliable, smooth and economical navigation, perfectly suited to long-distance voyages.

The interior is appealingly spacious and bright, with three comfortable cabins that can accommodate up to six people, two bathrooms with toilets, a cosy lounge and a fully equipped kitchen. The outdoor areas are equally

appealing, with a convivial flybridge equipped with a mini-kitchen (sink, hob, refrigerator and ice maker), an ergonomic interior helm and a large aft deck ideal for dining or relaxing in all seasons.

Entirely custom-built and first-hand, this Trawler boasts exceptional equipment: wine cellar, underfloor heating, independent air conditioning in each room, televisions in all cabins, complete Raymarine system with an outdoor helm station and two indoor stations, thermal camera in the engine room and three outdoor cameras, hydraulic gangway, Hydro Nautica remote control, Rotorswing hydraulic stabiliser, watermaker, water intake in the anchor locker, electric winch on the aft deck, electric blinds, LED hull lighting, safe, 4G modem with integrated Wi-Fi, four-zone Fusion audio system and Raymarine remote control for the rudder.

In addition, there is a range of rare equipment: diesel centrifuge, 220 V air conditioning, ultrasonic system to prevent algae from attaching to the hull, and a 3.30 m semi-rigid tender equipped with a 30 hp outboard motor. This boat is also equipped with Empirbus technology, which allows all on-board systems and equipment to be viewed on screen, and an electric lazarette access hatch.

This Privateer Trawler 55 stands out as an exceptional yacht, designed for discerning sailors seeking comfort, safety and elegance, both on European rivers and on the open seas.

## Features of the boat

### Generalities

Type of boat : Motor Cruisers  
Length (m) : 17 m  
Width (m) : 4.90  
Builder : Privateer  
Model : PRIVATEER TRAWLER 55  
Year : 2018  
Hull : Steel  
Air draft (m) : 3.40  
Water draft (m) : 1.30  
Navigation : River,Maritime  
Category CE : A (open sea)

### Comfort

Cabin(s) : 3  
Sleeping(s) : 6  
Single bed(s) : 2  
Double bed(s) : 2  
Convertible couch : Living room  
Type of WC : Electric,2  
Shower(s) : 2  
Kitchen : Induction hob,Oven 220V,Microwave,Extractor hood,220V refrigerator,12V refrigerator,Freezer,Dishwasher,Cave à vin  
Laundry : Washing machine,Dryer  
Television : Antenna  
Security : Gas detector,Fire detector,Alarm system,Security camera  
Min. headroom : 2m  
Hot water : Heated by 220V  
Heating : Oil boiler,Underfloor heating  
On-board air conditioning : All cabins

### Deck and exterior

Steering position(s) : 2,Hydraulique  
Outdoor equipment : Gangway,Outdoor furniture,Bathing ladder,Bathing platform,Sunshade,Mast,Loading Crane,Hydraulic Windlass,Deck wash pump,Bridge shower,Dinghy,Outboard motor  
Teak deck : On the whole boat  
Windows : Aluminum frame,Double glazing on all windows,Anti-UV film,Mosquito net

### Technical

Number of engines : 2  
Power per engine (HP) : 249  
Engine make : John Deere  
Engine year : 2017  
Fuel : Diesel

Exhaust : Mouillé  
Engine cooling : Inter Cooling  
Automatic fire extinguisher in the engine room : Yes  
Propulsion type : Propeller shaft  
Bow thruster : Yes,Hydraulique  
Stern thruster : Yes,Hydraulique  
Generator set : ONAN 11kva  
Combi (charger/converter) : Mastervolt  
Battery charger : Mastervolt  
Converter : Mastervolt  
Voltage on board : 220V,12V,24V

#### Tank

Engine fuel : 5360 L  
Drinking water : 1000 L  
Drinking water treatment : Filtration  
Black water tank evacuation pump : Yes  
Extra : 3 drinking water outlets and 3 external water outlets (2 in the locker, 2 chain lockers and 2 flybridge)

#### Navigation

Navigation equipment : GPS,Card reader,Sounder,Speedometer,Anemometers,VHF,fixed VHF,Radar,Autopilot,Bar Indicator,Compass,Intercom,AIS system  
Extra : AXIOM 2 XL 16" chart plotters in the wheelhouse
