PROFICIAT 935 CRUISER Athena

This Dutch Proficiat 935 motor cruiser, 9.35 m by 3.20 m and built in 1986, is easy to handle and offers good stability — a sound first boat for taking up inland cruising.
The layout provides four berths. The galley has a gas hob, a 220 V oven and a 12 V fridge; the dinette converts into a double bed, and the aft cabin holds a second double. For washing, a WC and a basin inside, and a hot-water deck shower outside.
The bright saloon has a sofa, a table and an inside helm position, so she can be used in any weather. The spacious aft deck carries a second helm position and gives easy access below.
The electrical installation has been overhauled recently: a new Victron charger fitted in 2025, and two Victron

inverters installed in 2019 — 12 V / 1,200 W and 12 V / 2,000 W — with a remote control panel. Webasto warm-air heating, Vetus bow thruster, 420 litres of diesel and 250 litres of fresh water.
Navigation equipment: echo sounder, VHF and rudder indicator.
Please note, stated in full transparency: the sun awning hoops are in place but the awning itself is out of service, and the boat has neither exterior furniture nor a winter cover.

Features of the boat

Generalities

Type of boat : Motor Cruisers
