Discover this charming 9.70-meter long and 3.20-meter wide Dutch motor yacht, built in 1985. Thanks to its thoughtful design, the boat is easy to handle and offers excellent stability, making it an ideal choice for beginner boaters looking to safely start their nautical adventure.

First, its smart layout comfortably accommodates up to 5 people. The kitchen is equipped with a gas stove, a 220V oven, and a 12V refrigerator. Additionally, the dinette converts into a double bed, perfectly complementing the living space. At the rear, a cabin with a double bed provides extra sleeping quarters.

The bright and welcoming salon includes a sofa, a table, and an indoor helm station, allowing comfortable navigation in all weather conditions. The bathroom features a toilet and a sink, while an outdoor hot water

shower adds convenience.

Outside, the spacious deck offers a secondary helm station and easy access to the boat's interior. It's perfect for enjoying sunny days while maintaining full control at the helm.

Finally, in terms of navigation equipment, the motor yacht is fitted with a fish finder, a VHF radio, and a rudder indicator.

In summary, this 9.70-meter Dutch motor yacht is perfect for comfortable and accessible river cruising, whether solo, as a couple, or with family.
