Magnificent Ketch sailboat built in solid oak in 1973 and very well renovated in 2009 to allow it to welcome passengers. The aft deck measures over 35 square meters. This will give you ample space to enjoy your time on the deck with friends. It's also particularly easy to walk around the boat. You will be won over by its interior layout and furnishings. There's a comfortable living room and a fully equipped kitchen. You can accommodate up to 12 people in four beautiful double cabins and one single. We love: its unequivocal elegance.
