Discover this large 18.50-metre long, 4.20-metre wide motor cruiser, built in 1962 and designed exclusively for inland waterways. Its elegant lines and spacious layout make it an ideal boat for fully enjoying river cruises, whether with family or friends. The last survey was carried out in 2022, ensuring the boat's technical condition and safe navigation.

The hull was completely reinforced and the paint renewed in 2022, providing recent maintenance and a solid hull ready to sail immediately. Additionally, the rear deck is vast and inviting, offering the perfect space to relax, soak up the sun, or enjoy meals outdoors, while the two side entrances make boarding the motor cruiser from the quay easy and convenient.

The main entrance leads to the wheelhouse, equipped with a fully functional helm providing excellent visibility. A bright and comfortable lounge and dining area welcomes passengers, with a practical, fully equipped kitchen that includes an electric hob and a 220V oven, making it easy to prepare meals on board.

For sleeping accommodations, this large 18.50-metre motor cruiser features two cabins that can accommodate up to four people. The forward cabin has two single beds, while the aft cabin offers a central double bed, ensuring comfort and privacy. Finally, the bathroom is functional and includes a shower and WC, providing all the necessary comfort for extended stays on board.

With its generous spaces, practical layout, and recent maintenance, this motor cruiser is a rare opportunity for anyone wishing to navigate inland waterways in style and comfort.
