Discover this Sealine motor yacht, measuring 10.43 meters in length and 3.30 meters in width, built in 1998. This versatile boat, suitable for both sea and inland waterways, offers the perfect balance for cruising in comfort wherever you choose to go.

On the exterior, a pleasant aft deck with a bench seat invites you to relax, while access to the flybridge allows you to enjoy an elevated helm station with stunning panoramic views of the water and surrounding scenery. The layout is friendly and well-designed, ideal for sharing enjoyable moments with family and friends.

Inside, the boat stands out for its bright and spacious interior. The main saloon features a dinette convertible into a double berth, a fully equipped galley with gas hob, refrigerator, and microwave, as well as an inside helm

station. The overall atmosphere is warm and welcoming — perfect for comfortable living on board.

In the sleeping area, the yacht offers two cozy cabins: a forward cabin with a large double bed and a side cabin with another double berth. With the convertible dinette, the boat can accommodate up to six berths in total. The bathroom includes a shower and toilet, providing full autonomy during your cruises.

Spacious, comfortable, and well maintained, this Sealine motor yacht impresses with its clever layout and natural light throughout.

Note: seat upholstery to be renewed.
