SILURE 15M

Nice Silure barge built in 2000. You will appreciate the life on board on this boat whose layout is well optimized. Its size of less than 15m guarantees you a mooring in many ports. The exterior is pleasant with its rear terrace. A complete exterior painting is necessary. Inside, the living room is bright thanks to its windows and its large bay window. The living area offers a comfortable lounge, a kitchen, two double bedrooms and a bathroom. Transferable COT. Water and electricity available at dockside.

Features of the boat
