SIMMERSKIP

This Simmerskip 1050 OK Special is a river yacht with a well-crafted design. It stands out for its lines, interior layout, and natural light.

One of its key strengths is its configuration, featuring an outdoor terrace and a salon on the same level — making movement on board easy. Thanks to this single-level layout between the interior and exterior, the boat is comfortable, whether cruising or moored.

Inside, the atmosphere is spacious, with a well-designed layout. It includes a fully equipped galley, a dinette for shared meals, and a cabin offering a resting space. A bathroom with shower and toilet completes the interior.

Outside, the wide aft terrace allows relaxing or dining al fresco. The sheltered and ergonomic helm station

allows for easy navigation.

This Simmerskip is built with a sturdy steel hull and finished with a mahogany interior. It delivers good performance for river and lake cruising throughout Europe, combining reliability, comfort, and style.
