SMELNE 1240 S

This Smelne 1240 S motor boat is recognized for its Dutch craftsmanship and its comfort. Measuring 12.69 meters in length, this steel yacht offers stable navigation. It is suited to both river cruising and coastal outings. Inside, it features a spacious and bright salon with generous headroom, a fully equipped kitchen, and two cabins, including a large owner's cabin. The layout is generous and well designed. The bathroom includes a shower and a toilet, while an additional WC with a sink completes the layout.

One of the highlights of this Smelne is its aft deck. Spacious and protected by a sun awning, it allows outdoor dining, relaxing at anchor, or admiring the scenery while cruising. This covered area provides a sheltered space usable in all seasons.

Regarding the engine, the reliable diesel motor, suited to this type of vessel, ensures smooth and economical navigation.

This boat has been regularly maintained and is in good condition. The hull received a new coat of paint in June 2025. This Smelne motor boat will suit those seeking a spacious, solid, and comfortable vessel, built by one of the reputable shipyards in the Netherlands.

Berthing spaces are available at our port in Saint-Jean-de-Losne (21). We can also assist you with financing options to help make your project a reality.
