Mooring place : West of France

100000 €

For a long time, this ship was used as a coaster before being transformed into a pleasure boat in the 1990s. Its history is evident in every detail, and its classification as a Bateau d'Intérêt Patrimonial in 2023 is testament to its authenticity and heritage value.

The spacious open-plan living area includes a well-equipped galley and a comfortable saloon, ideal for relaxing and entertaining. There are also two comfortable cabins for a peaceful night's sleep and a modern, functional bathroom.

The barge has been constantly maintained and upgraded since 2010, with over €80,000 worth of bills to show for it. This has modernised the boat while preserving its original charm.

It should be noted that this boat is registered at sea and is not subject to francisation tax thanks to its BIP status.
