**135000 €**

Discover this elegant Van Der Poel motor yacht, built in 1986, measuring 14.80 meters in length and 4.40 meters in width. Designed to offer a spacious, bright, and functional living area, this boat is the perfect choice for year-round life aboard or regular cruising on the European inland waterways.

From the moment you step on board, the yacht impresses with its well-thought-out and comfortable layout. The generous and welcoming salon invites you to relax. The fully equipped galley includes an induction cooktop, 220V oven, 220V refrigerator, and freezer – everything you need to prepare meals with ease and comfort.

When it's time to rest, three cabins provide ample sleeping space, including a master cabin with a large double bed and plenty of storage. Additionally, the bathroom features a comfortable shower and two separate toilets, ensuring smooth daily life onboard.

For added convenience, the yacht also includes a washing machine and reversible air conditioning, offering optimal comfort in every season. Outside, a spacious terrace with a protective canopy completes the exterior helm station, allowing you to enjoy the views and cruise comfortably in any weather.

Good to know: both Yanmar engines were replaced in 2021.

In summary, this well-maintained and immediately habitable Van Der Poel yacht combines comfort, space, and practicality. Don't miss this great opportunity to cruise or live on the water with peace of mind.
