Discover this elegant Succes 125 Ultra motor yacht, a 12.5-meter-long and 4-meter-wide liveaboard boat, built in 1998, ideal for a river or coastal cruising project, or for year-round living on board. Renowned for its build quality and generous interior space, this motor yacht offers an excellent balance between maneuverability, stability, and comfort. Its exterior helm station frees up additional interior space, creating a more spacious and pleasant living area.

Upon boarding, the warm wooden interior immediately impresses, creating a friendly and authentic atmosphere. The boat benefits from ample natural light, enhancing the sense of space and well-being. At the heart of this space, the spacious salon serves as a true living area, perfect for relaxation and shared moments.

Continuing along, the fully equipped and functional kitchen makes onboard cooking easy. At the aft, the cabin with a central double bed provides comfortable sleeping and ample storage, perfectly suited for extended stays. In addition, the practical and well-maintained bathroom includes a shower and an electric toilet. A second electric toilet at the bow adds daily convenience.

Finally, this Succes 125 Ultra is in good overall condition. A full repaint was completed in 2023. To complete the setup, the boat is also equipped with four batteries installed in 2024, ensuring reliable autonomy.

Moorings are available in our ports at Saint-Jean-de-Losne and Auxonne (21). We can also assist you with financing arrangements to help make your project a reality.
