SUCCESS YACHTS "MARIE"

Discover this cruiser, built in 1990 by Success Yachts, a shipyard renowned for the reliability and quality of its vessels. This boat, designed for both sea and river navigation, measures 10.50 m in length and 3.40 m in width. Additionally, it is powered by a 95 hp Iveco engine, providing comfort and peace of mind during your cruises. Inside, the boat features a welcoming salon with a U-shaped sofa, a fully equipped kitchen (gas stove, 220V oven, gas and 220V refrigerator), and a dinette that converts into a double bed. It also offers a forward cabin with two V-shaped berths and an aft cabin with a double bed and ample storage. The bathroom, equipped with a shower and a toilet, ensures optimal comfort on board.

Outside, the Success Yachts cruiser impresses with a spacious deck and helm station, directly accessible from

the entrance, making it perfect for enjoying both navigation and relaxing moments at the dock. Regarding navigation equipment, it comes with a VHF, a depth sounder, and a steering indicator. With six berths and two cabins, this well-designed cruiser combines livability, practicality, and the joy of cruising, both on rivers and along the coast.
