TECKLENBORG BARGE 22.95 m

This 22.95-metre barge offers a comfortable living environment, suited to year-round life on the water. At the rear, a large, spacious bedroom filled with natural light thanks to six original portholes and a large 90 x 180 cm skylight in the ceiling.
An intermediate level provides access to a toilet area and a bathroom with a shower and washing machine. The main living area on a single level features a bright, spacious open-plan space, including a fully fitted kitchen and a lounge/sitting area. The kitchen is fully equipped with a gas hob, oven, extractor hood, microwave, 220V refrigerator, freezer and dishwasher.
The barge also benefits from a technical room housing the Nautiflore sewage treatment system, inverter and

batteries, as well as an engine room located beneath the intermediate level. At the front, a fitted peak provides additional flexible space.
Outside, two terraces: a 10 m² rear terrace above the skipper's cabin and a main 30 m² terrace.
The EU certificate as a floating establishment is valid until 2031. This 22.95-metre barge offers a good level of comfort for living on the water, combining light, space and practicality.
