Mooring place : South of france

**109000 €**

Discover this charming Dutch barge measuring 20.84 metres in length and 4.12 metres in width, dating back to 1913. Once dedicated to cargo transport, she has been carefully converted to offer a comfortable living environment perfectly suited to life on the water. Her European certificate is valid until 2031, providing reassuring peace of mind for cruising. The deck and superstructure would benefit from a fresh coat of paint, offering the opportunity to personalise the vessel's appearance to your taste.

On board, you will find a pleasant wheelhouse with excellent visibility and a welcoming space for navigation. The bright saloon features a comfortable lounge area, a convivial dining space, and a fully equipped kitchen. This includes a gas hob, 220V refrigerator, 220V oven, extractor hood, microwave, and dishwasher, allowing you

to cook just like at home.

This 20.84 m Dutch barge also offers a functional bathroom with shower and WC. A second lounge, adaptable to your needs, can easily be converted into an additional cabin to accommodate family or guests. A double cabin completes the sleeping area, providing peace and comfort for extended stays on board.

Heating is provided by a pellet stove, delivering soft and economical warmth. Reversible air conditioning is also installed, ensuring optimal comfort throughout the year. This barge successfully combines authentic charm, generous living spaces, and modern equipment, making it ideal for enjoying life on the waterways.
