TJALK 23M

A magnificent 23-metre single-level tjalk, ideal as a primary residence on the water or for comfortable cruising. This boat impresses with its generous space, brightness and functional layout.
The bright and airy interior offers a lovely living area comprising a cosy lounge and a fully equipped kitchen, providing a level of comfort comparable to that of a home. The windows provide a pleasant sense of space and well-being in everyday life.
The boat has three cabins, offering plenty of accommodation for family or guests. A bathroom with shower and toilet completes the layout, ensuring a high level of comfort on board.
Outside, a deck allows you to make the most of sunny days and life on the water.

On the technical side, the engine, installed in 2015, has low hours, a real asset for trouble-free use. The European Union certificate is valid until 2032.
This 23-metre tjalk combines charm, space and functionality, offering a wonderful opportunity for a life on board or for cruising.
Moorings are available in our ports at Saint-Jean-de-Losne and Auxonne (21), ensuring a simple, quick and secure setup. We can also assist you with your financing arrangements to help bring your project to fruition.
