Tjalk “Heerva”

This 1911 Tjalk is a character-filled liveaboard barge measuring 19.60 metres long by 3.87 metres wide. It offers a bright and spacious interior, with a panoramic wheelhouse with bench seat, a generous saloon (convertible into an additional double berth), a fully equipped galley (gas stove, 220V fridge, freezer, extractor hood), a functional bathroom, and two cabins — one with a double bed, the other with two single beds. Plenty of storage is available throughout the vessel. The boat is fitted with a security alarm system and a VHF radio.
At the seller’s request, the boat has been hauled out at H2O for a hull survey (visual inspection and ultrasonic thickness measurements, carried out on 19 June 2026). The pre-report identifies generalised corrosion of the hull along the waterlines, meaning full sandblasting, new doubler plates and weld repairs are needed to properly

assess and treat the condition of the rivets and plating. The report also recommends replacing the anodes (fully consumed), and servicing the hull through-fittings, the propeller shaft seal and the hydraulic steering hoses. The full survey report is available on request.
The seller has chosen not to carry out these works and is offering the boat for sale as is, at a price that reflects the work required. It is therefore best suited to a full refit project, covering both the hull and the interior. The boat currently remains hauled out at H2O.

Features of the boat

Generalities

Type of boat : Barge
Length (m) : 19.60 m
Width (m) : 3.87
Builder : Wilnis
Year : 1911
Hull : Steel
Air draft (m) : 2.60
Water draft (m) : 0.80
Navigation : River

Comfort

Cabin(s) : 2
Sleeping(s) : 6
Single bed(s) : 2
Double bed(s) : 1
Convertible couch : Living room
Type of WC : Manual,1
Shower(s) : 1
Kitchen : Gas hob,Extractor hood,220V refrigerator,Freezer
Television : Antenna
Security : Alarm system
Min. headroom : 2.10
Hot water : Instantaneous Gas
Heating : Oil stove,Gas boiler
Type of insulation : Rock wool

Deck and exterior

Steering position(s) : 1,Hydraulique
Outdoor equipment : Gangway,Bathing ladder,Mast,Mechanical windlass
Windows : Rubber frame

Technical

Number of engines : 1
Power per engine (HP) : 120
Engine make : DAF
Fuel : Diesel
Exhaust : Sec
Number of propeller blades : 3
Shaft lubrication : Grease
Propeller shaft sealing : Classic stuffing box
Propulsion type : Propeller shaft
Bilge pump(s) : 1
Service battery(ies) : 2
Type of service battery(ies) : Acid
Motor battery(ies) : 2
Type of motor battery(ies) : Acid
Converter : Victron,12V/2000W
Voltage on board : 220V,24V

Tank

Engine fuel : 1 x 800 L
Drinking water : 1 x 1000 L

Navigation

Navigation equipment : VHF
