Experience Life on the Water with this Stunning 1913 Barkmeyer Dutch Tjalk Measuring 19.98 meters long and 4 meters wide, this beautiful Tjalk underwent a complete, tasteful refurbishment in 2014 with high-quality finishes. Perfect as a liveaboard boat, it is ready to navigate and be lived in immediately.

The spacious wheelhouse opens onto a large covered outdoor terrace. Inside, you'll find a bright and airy living/dining area flooded with natural light, plus two comfortable cabins — one double and one flexible cabin with convertible beds — each featuring a private bathroom with shower and toilet.

The fully equipped kitchen includes everything you need to cook just like at home: gas stove, 220V oven, 220V refrigerator, freezer, microwave, and dishwasher. A washing machine completes the onboard amenities for full

autonomy.

Thermal insulation with sprayed rock wool ensures year-round comfort without humidity or condensation.

Key details: The hull was reinforced in 2014 with a 6mm steel plate bottom. In 2021, maintenance included a hull survey along with replacement of antifouling and anodes.

This Barkmeyer Tjalk combines the charm of a traditional sailing vessel with modern comfort — a rare opportunity to enjoy a unique, peaceful life on the water.
