VAN DER WERF TJALK

Discover this stunning Van Der Werf tjalk, measuring 16.22 meters in length and 3.42 meters in width, built in 1912. This vessel perfectly embodies the elegance of traditional Northern European canal boats. Ideally designed for life on board or charming river cruises, it combines character, comfort, and functionality.
From a technical standpoint, the boat underwent a professional survey and hull maintenance in 2021, ensuring smooth and safe navigation. Outside, the spacious aft deck offers a pleasant helm station and a cozy area to relax during stops or to pilot the boat with ease.
Inside, the wood-paneled interior creates a warm and authentic atmosphere. The bright and open living area features a comfortable lounge and a fully equipped kitchen (gas stove, 220V refrigerator, freezer). Additionally, the boat offers two cabins with double beds, a functional bathroom, a washing machine, and reversible air conditioning for year-round comfort.
For safety, the boat is equipped with a gas detector and an alarm system. This tjalk represents a rare opportunity for enthusiasts of classic boats who want to sail or live aboard with charm and peace of mind.
In summary, this Van Der Werf tjalk combines the charm of Dutch nautical heritage with discreet modern comfort, making it ideal for gentle cruising or floating home projects.
