This 14.95-meter-long Tjalk Werf is a traditional Dutch barge that elegantly blends the authentic charm of historic vessels with the modern comforts essential for enjoyable life on board. Fully refurbished in 2019, it offers a spacious, functional, and warm living space, ideal for river cruising or use as a permanent residence. Inside, you'll find a comfortable cabin, a bright and open living area perfect for relaxing or entertaining, and a fully equipped open-plan kitchen featuring a gas stove, gas oven, microwave, extractor hood, 220V refrigerator, 12V refrigerator, and a freezer. The boat is also fitted with a washing machine and an air conditioning system covering all areas, offering greater comfort and autonomy. Mosquito screens have been added to ensure peaceful summer evenings free from insects.

In terms of sanitary facilities, the boat is equipped with two separate toilets and a bathroom. Thanks to its recent renovation and comprehensive equipment, this liveaboard barge is ready to cruise or to welcome its new owners into a unique and comfortable lifestyle on the water. This Tjalk Werf combines maritime heritage with modern features designed for convenience and everyday comfort.

The hull was repainted in 2024.
