Mooring place : Parisian region

85000 €

This attractive 12-metre Tjalk, with a beam of 3 metres, represents a great opportunity for inland waterway enthusiasts looking for a vessel that is authentic, comfortable and easy to handle. Thanks to its reasonable size, it offers easy mooring in most harbours, while still providing pleasant and well-designed living spaces on board. Furthermore, its superstructure entirely finished in wood gives the boat undeniable charm and a warm atmosphere, true to the spirit of traditional vessels. Inside, natural light combined with a well-thought-out layout creates a welcoming and convivial setting, ideal both for year-round living and for extended cruising. The boat features a bright wheelhouse, equipped with a comfortable bench seat and offering excellent views over the water, perfect for enjoying navigation or admiring the surrounding scenery. In continuity with this

space, a cosy saloon completes the living area and invites relaxation.

In addition, the fully equipped galley includes a gas hob, a 12V refrigerator and a microwave, making onboard cooking easy and practical. The well-designed bathroom is fitted with a shower and an electric toilet. Finally, the cabin offers two single berths, ensuring comfortable sleeping accommodation.

To conclude, this 12-metre Tjalk is also equipped with a washing machine and reversible air conditioning, particularly appreciated features for a comfortable, practical and self-sufficient life on board.
