An icon of recreational boating, this Trawler 34 impresses with its timeless charm, combined with proven reliability and regular, careful maintenance.

Designed to offer both comfort and autonomy, she features two cabins, each with its own private bathroom and toilet, ensuring complete privacy on board. The master cabin is fitted with a double bed and an additional single berth, while the forward cabin offers two V-shaped single berths, making this vessel ideal for 4 to 5 people.

At the heart of the boat, the fully equipped galley provides a warm and convivial living space, perfectly suited for extended cruising.

In terms of propulsion, a 120 HP Ford Lehman engine, renowned for its robustness and longevity, delivers

smooth and reliable cruising. Furthermore, the Becker-type rudder, combined with a bow thruster, ensures excellent maneuverability, allowing the boat to pivot almost on the spot.

Regarding equipment, the boat is fitted with a 260 W solar panel, a Victron inverter and battery charger, as well as three new batteries installed in 2024 (engine, domestic and bow thruster). A new double bimini protects the flybridge and provides excellent comfort, both underway and at anchor.

In addition, extensive technical and maintenance documentation is available, confirming the high standard of care and the overall quality of this Trawler 34.

A distinctive, reliable and elegant vessel, ideal for enthusiasts seeking comfortable and relaxed cruising.

Moorings are available in our marina in Saint-Jean-de-Losne (France). We can also assist you with financing solutions to help bring your boating project to life.
