The Valkvlet 12.30 BB is an iconic Dutch motorboat built by the renowned P. Valk Yachts shipyard in Franeker, the Netherlands. Renowned for the robustness and timeless elegance of its vessels, the shipyard has made the Valkvlet a true classic for river and coastal navigation.

With a length of 12.30 metres and a high-quality steel construction, this model offers safety, comfort and reliability. Its elegant lines and traditional look are immediately appealing, while offering practical amenities for life on board.

The bright and welcoming interior includes a spacious saloon with beautiful wood panelling, a fully equipped galley with a convivial dinette, and two cabins offering optimal comfort for family and friends. The bathroom is

functional with a shower and WC.

Outside, the generous aft deck and sheltered wheelhouse are real assets for enjoying both sailing and mooring. Thanks to its reliable engine and careful design, the Valkvlet 12.30 BB stands out for its ease of manoeuvring and great stability. Two new engines were installed in 2016 by H2O. A complete maintenance history is available.

A true Dutch star with character, it embodies a perfect balance between tradition and modernity, ideal for river and sea cruising enthusiasts who want to sail with elegance and serenity.
