SAILING BOAT COTRE PILOTE “COURS APRES”

Sailboat “Côte pilote” built in 1992. She is the only replica of a “Côte pilote” from Le Havre. On the sea she sails with an incomparable constancy and stability. With her sails spread out, she is difficult to catch by other sailboats, hence her name “Cours Après”. She is a boat that has retained all her charm and is looking for a new owner to pamper her. A renovation of the woodwork and sills is to be expected. The interior offers a kitchenette, a lounge, a cabin and a toilet.
