

WIDE BEAM "RUBATO"

14 m x 4 m - 3
couchage(s) - 1 cabine(s)

Mooring place : H2O (Saint-Jean-de-Losne)

69500 €

Discover this 14-meter-long, 4-meter-wide Widebeam liveaboard barge, built in 1991 by Springer. It offers generous living space and a comfortable onboard environment, making it ideal as a primary residence or for inland waterway cruising.

The hull last benefited from a full below-waterline repaint in 2023, ensuring good overall maintenance.

The interior features a wheelhouse with a helm station, a bright saloon with dining area, a fully equipped galley with hob, refrigerator, and microwave, as well as a large aft cabin with a double bed. A bathroom with shower and toilet completes this functional and pleasant living space.

This Widebeam liveaboard barge is ready to sail and represents an excellent opportunity for a life-on-the-water

project or fully independent cruising.

Some refreshment and customization work will allow you to tailor it to your own taste. Please note that the windows need to be resealed.

Mooring spaces are available in our ports in Saint-Jean-de-Losne and Auxonne (21), providing a simple, fast, and secure installation. We can also assist you with financing arrangements to help bring your project to life.
